Guarantee:

30-day Money Back Guarantee (For Web Hosting Services)

We always seek your satisfaction in all of our services. If you are not satisfied with our web hosting services, you have 15 days to ask for a total refund of your web hosting payments. We will not ask you for an explanation. No questions asked whatsoever. If you are not completely satisfied with our services within the first 15 days of usage you will be given a full refund of your payment for web hosting plans. No refund is available after the 15th day.

Price Freeze Guarantee (For Web Hosting Services)

Once you sign up with a price, it will never change for you. That means renewal prices will be still the same, no matter how long you host your account with us. Prices may change for new users, but for you it will freeze!

99.9% Uptime Guarantee (For All Online Services)

We guarantee that your web site will be available through the web at least 99.9% of the time, calculated on a monthly basis. Uptime guarantee does not apply to causes beyond our control, such as upstream provider outages, Internet-wide problems, natural disasters, etc. In the unlikely event downtime exceeds allowable time, you may request a credit of 4% of your monthly base account fees for each hour downtime beyond allowable limits. Discount will start from the next billing period.
